Continued market adoption

- >30,000 TrailerTails® sold
- 2.1 Billion miles driven
- >\$60M USD saved at the pump
- Offsets equivalent CO₂ emissions of 30,000 passenger cars
- ~600 units sold to Ontario and New Brunswick fleets since October 1st Council of Ministers meeting

TrailerTail® Trident

- 3' long, 3 sided version
 - No bottom panels
- 5.09% fuel savings at 65 MPH in SAE J1321 testing
 - Compared to 5.54% for TrailerTail® 4x4
- Advanced EPA SmartWay verification

Optional AutoDeploy™ System

- Automatically deploys TrailerTail® at 35 mph
 - Radar speed sensor
 - Electronic latches
