

Super Cube Trailer Overview

December, 2012

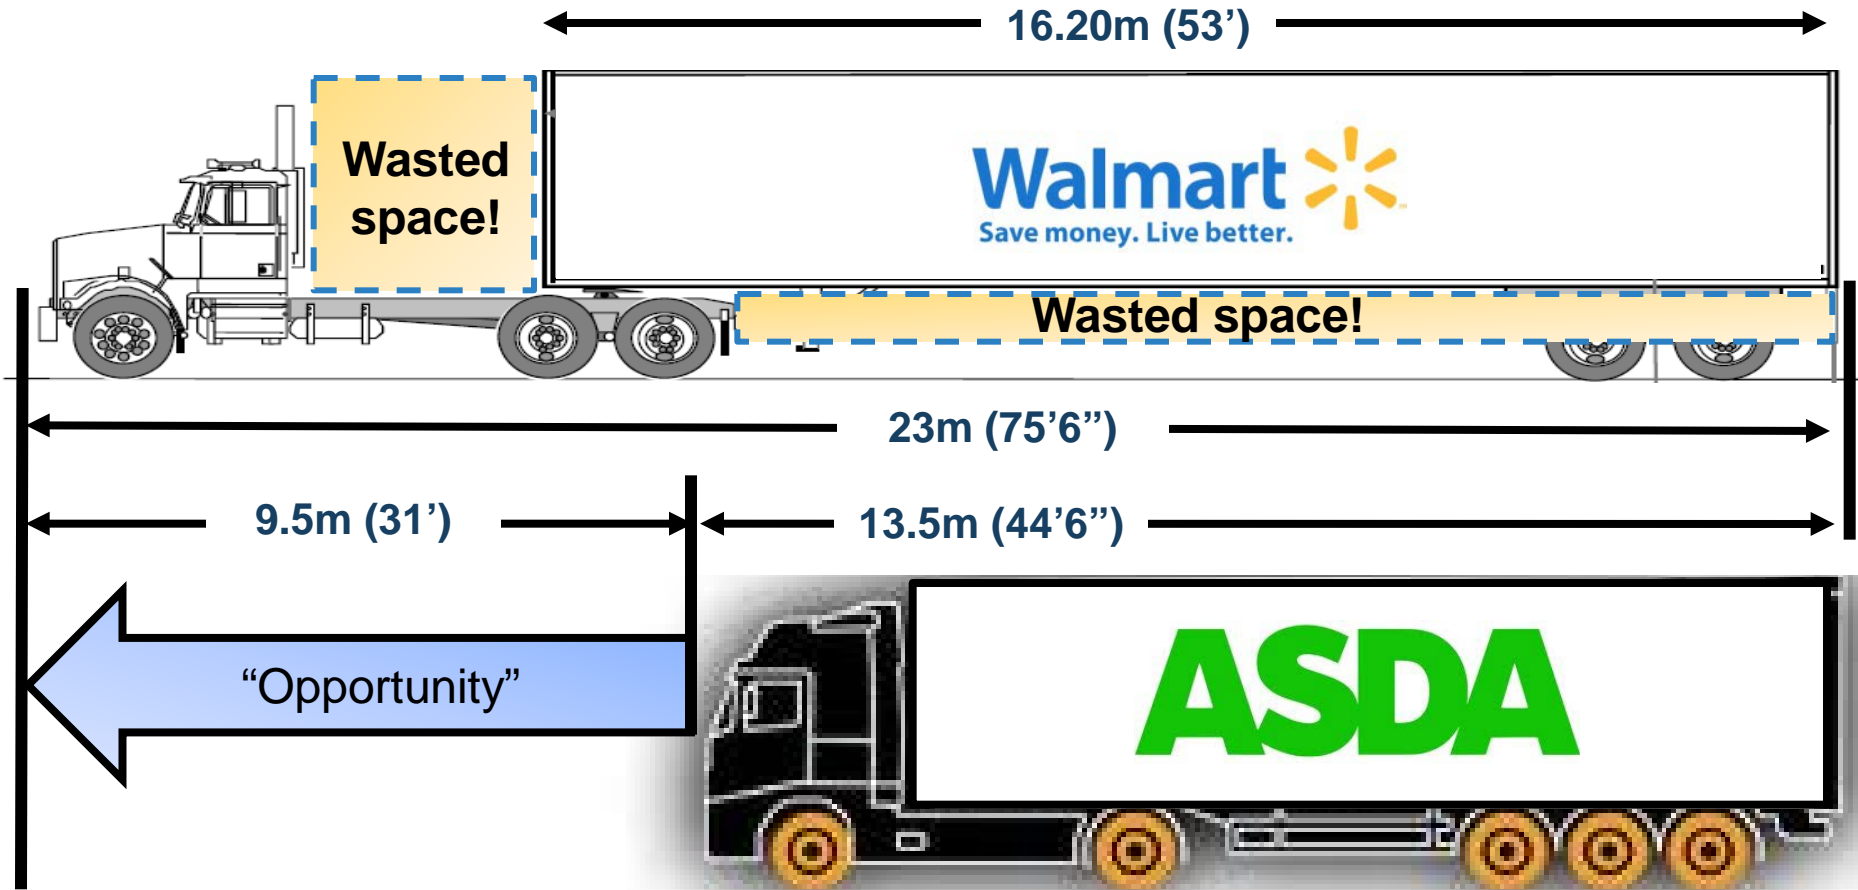

The information contained herein shall be considered **BUSINESS CONFIDENTIAL** and is not to be shared outside your organization without the expressed written consent of Walmart Canada Corp.

Our Reality – Increasing Complexity!

UK vs. Canadian Standard

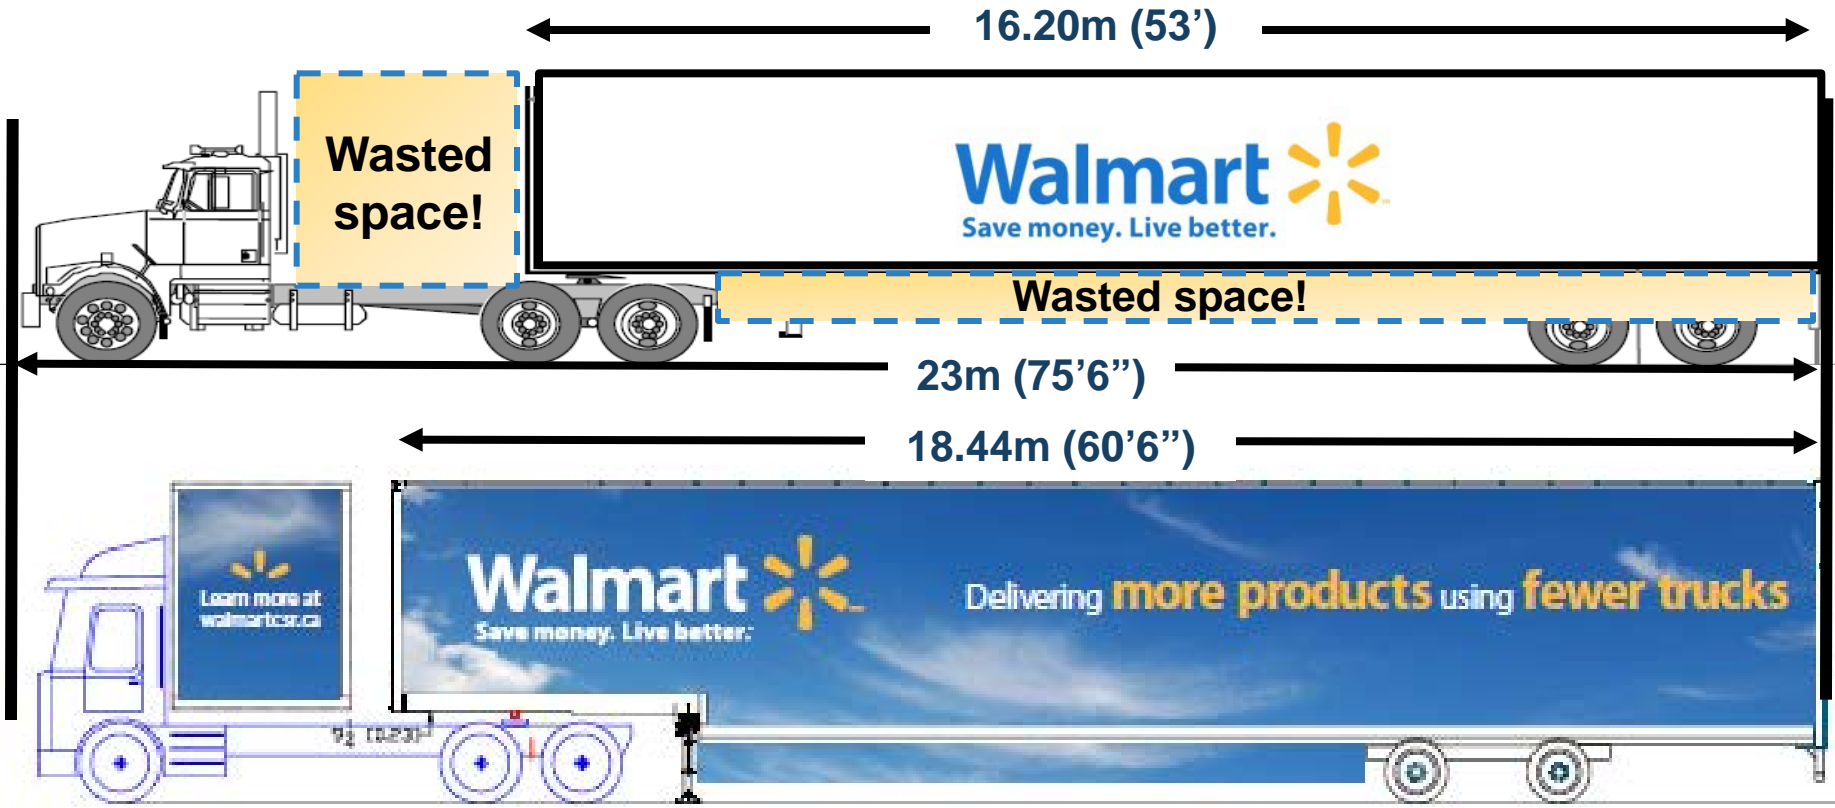

UK restrictions ensure maximum use of space within legislation

Our Response – Supercube Trailer!

- Collaboration with multiple partners yields:
 - 60’6” trailer that meets provincial regulations
 - >28% more cube than standard 53’ trailer
 - >40% more cube when drome box is included

Cubic metres (feet)	16.2m (53') Conventional Trailer	18.44m (60'6") Super Cube Trailer
Trailer	1189 (3,900)	1555 (5,100)
Drome	-	158 (521)
Total	1189 (3,900)	1713 (5,621)

Meet the changing needs of our business through sustainability leadership!

Thank you
