

## **Northwest Territories**

### **Jurisdictional Update**

#### **Wide Base Single Tires (WBST)**

Our department will continue issuing special permits to carrier wishing to operate 455 WBST at par with dual tires on the NWT Enhanced Visibility Highway. The 455 and 445 WBST's are restricted to 6,000 kg per axle on all other Highways.

#### **Whati All Season Highway**

The right-of-way of this 97 km highway has been cleared. The highway was named TliCho Highway or Highway #9. The project is expected to be completed in the fall of 2021.

#### **Yellowknife Self-Weigh Scale**

The project continues and is expected to be completed the summer of 2021. The self-weigh scale will be available to the public in and around the City of Yellowknife.

#### **911 Emergency Services**

Highway Patrol Officers have access to 911 Emergency Services throughout the NWT. With the aid of Satellite communications Patrol Officers can contact and be contacted by 911 Emergency Services.
