

# Task Force on Vehicle Weights and Dimension Policy

New Brunswick Department of Transportation and Infrastructure Updates

Matt Illsley, P. Eng.  
December 2021

# Regulatory/Permitting Update

- Regulatory amendments to NB *Vehicle Dimensions and Mass Regulation (Reg. 2001-67)*.
  - Updated to align with 2019 VW&D MoU.
  - Wide Base Single Tires.
- Oversize/Overmass policy and standard operating procedures for permit issuance.
  - Updated and approved.

# Infrastructure Update

- Infrastructure Upgrades – Arterial and Collector Highways:
  - Coles Island Bridges - Route 10.
  - Anderson Bridge - Route 8.
  - Petitcodiac River Bridge – Route 114.
  - Edmundston/Madawaska International Bridge – Route 120/Route 144
  - Route 11 Twinning – Shediac to Cocagne.
- Vaughn Creek Covered Bridge – St. Martins.

# Long Combination Vehicles Update

- 17 carriers currently in NB's LCV program.
- Holiday restrictions removal pilot program in 2020.
  - LCVs permitted to operate on holidays with the exception of Canada Day, NB Day, Labour Day.
  - Successful – extended for an additional year.
  - Will assess pilot next year – may expand to include all holidays.
