# Support For Businesses During COVID-19

To assist the business community in Newfoundland and Labrador during the COVID-19 global pandemic, the Provincial Government announced the deferral or waiver of a number of fees, as well as steps to reduce regulatory burden. The deferral of more than \$6 million in fees will help ease some of the operational pressures facing businesses and free-up cash flow in these uncertain times.

# Red Tape Reduction Initiative

On June 5, 2020 The Provincial Government launched a red tape reduction initiative to help alleviate some of the regulatory burden on the province's business sector. All feedback will be considered as government tries to streamline the regulatory process for businesses in the province.

# Wide Based Single Tires

- Wide based single tires are permitted to operate at parity to traditional dual tires for the Island portion of NL only.
- A permit is required
- There have been no requests for permits at this time

# Initiatives

- Reviewing options for implementing weighscale bypass program
- Reviewing options for online overweight / over dimensional permit application
